

Paper Bag Puppet

Goal: Have students explore their creativity with a fun project

Materials -

- Paper lunch bags
- Yarn
- Cotton Balls
- Googly eyes
- Construction Paper
- Markers
- Glue
- Scissors

Procedure -

1. Give students all of the materials
2. Have students create a puppet

☆ Explanation: The bottom of the bag should be the face. This makes it seem like the puppet is talking when moved by a hand from the inside.
